:) They don't understand that a LOT of us Americans have this on hand!

Jihawg Ammunition 9mm Pig Tainted Ammo

"With Jihawg Ammo, you don't just kill an Islamist terrorist, you also send him to Hell. That should give would-be martyrs something to think about before they launch an attack. If it ever becomes necessary to defend yourself and those around you our ammo works on two levels. And, you'll also be doing 72 virgins a favor. We call it PEACE THROUGH PORK."

In honor of Hillary's book tour, a brief reminder:

As a 27 year old staff attorney for the House Judiciary Committee during the Watergate investigation, Hillary Rodham was fired by her supervisor, lifelong Democrat Jerry Zeifman.

When asked why Hillary Rodham was fired, Zeifman said in an interview, "Because she was a liar. She was an unethical, dishonest lawyer, she conspired to violate the Constitution, the rules of the House, the rules of the Committee, and the rules of confidentiality."

Just a periodic reminder about Hillary! and Watergate...

As a 27 year old staff attorney for the House Judiciary Committee during the Watergate investigation

When asked why Hillary Rodham was fired, Zeifman said in an interview, "Because she was a liar. She was an unethical, dishonest lawyer, she conspired to violate the Constitution, the rules of the House, the rules of the Committee, and the rules of confidentiality."

R.O.C.K. in the @ROCKInTheUSSA · 2 May 2014

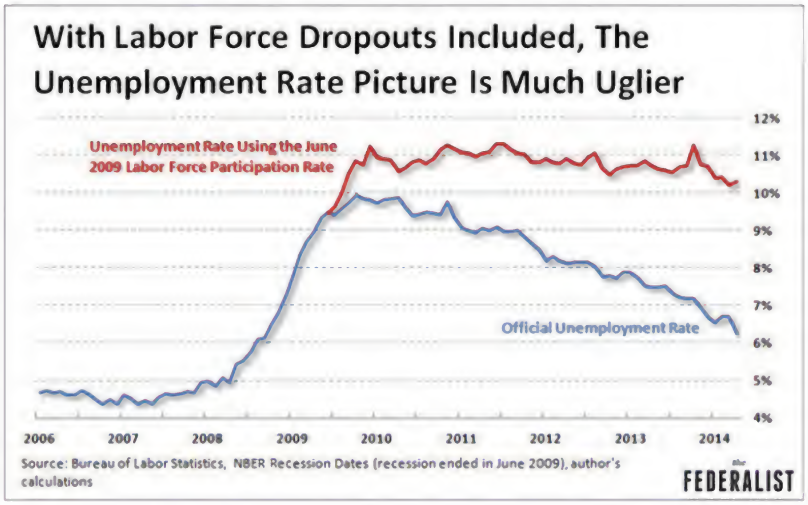
What's really going on with unemployment. Note when the upswing started.



What causes that massive discrepancy? When people who are effectively unemployed abandon their search for work, they are removed by Labor Dept. beancounters from the ranks of the labor force, which means they are no longer counted as being unemployed. The result of that move is to artificially depress the headline unemployment rate, hence the large gap between the headline unemployment rate and the dropout-adjusted unemployment rate.
